### Problem

What, find you a mirror  
You killin' these bitches find you a mirror yeah  
What, I see you  
All these little bitty bitches trynna be you  
What yeah, find you a mirror  
You killin' these bitches find you a mirror yeah  
What, I see you  
All these little bitty bitches trynna be you  
God damn baby

Fine as a motherfucker  
Lookin' mine as a motherfucker  
You want my mind in this motherfucker  
It's perfect time in this motherfucker  
Gimme that, gimme that, gimme that

I'm really that, nigga that you need to be with  
[?] Cause they tellin' you to leave with me right now yeah  
Come into the house, I'll kiss you right down yeah  
Have some quiet time we can blow so loud yeah  
You ain't fucked no rapper shit you make me proud yeah  
Let's hit the town yeah what

What, find you a mirror  
You killin' these bitches find you a mirror yeah  
What, I see you  
All these little bitty bitches trynna be you  
What yeah, find you a mirror  
You killin' these bitches find you a mirror yeah  
What, I see you  
All these little bitty bitches trynna be you  
God damn baby

You in the [?] with the crew tonight is your night ticket  
Bitches for the Gram baby get you pose right

She just left the bathroom, she trynna get her nose right  
And baby I ain't judgin' I ain't go to law school  
I'm a real ass nigga not a cartoon  
The way you killin' these bitches you need a harpoon  
All I need is kush and a dark room  
And that's your ass

What, find you a mirror  
You killin' these bitches find you a mirror yeah  
What, I see you  
All these little bitty bitches trynna be you  
What yeah, find you a mirror  
You killin' these bitches find you a mirror yeah  
What, I see you  
All these little bitty bitches trynna be you  
God damn baby

My voice hit the function and be [?] on the floor  
Hit the blunt, take a shot get to [?] and then so more  
Lil mama pussy so tight I can't get in no more  
Fuckin' lil dick niggas I can't figure it no more

Let me open that, no birthday you got a gift  
If you can open that, champagne bubble bath  
[?] and mama sockin' that  
Look up in my eyes lil mama where your focus at  
You want me to pockin' that?

What, find you a mirror  
You killin' these bitches find you a mirror yeah  
What, I see you  
All these little bitty bitches trynna be you  
What yeah, find you a mirror  
You killin' these bitches find you a mirror yeah  
What, I see you  
All these little bitty bitches trynna be you  
God damn baby
