

Get Naked

Problem

Aye Problem

I don't really be hatin on the club in LA like that
Huh? What?

Nigga I run that shit

I'm just fuckin with you

What?

I know exactly what to say to get you hot though

Nigga you's a bitch, that's on my grandpa

Bitch nigga go change yo tampon

You forgetting it, nigga put some money up

Ain't worked out in weeks but I'm still in the club

With my tummy out like fuck it... I'm the nigga

My dick bigger, he ain't all in my level

Weed flowin through my brain

Fingers in the sky, bangin my game

Nigga like what? Get like this

That means I'm either on the radio or in your hoe

Love my squad, love getting paid

Lining up fades, sock a nigga out his J's

This for the hood, this for my babies

Adidas and a beeper, this is for the 80's

That's just on the reefer, VIP blazing

Asian eyed, who wanna type this ride? What?

Get naked

Bitch get naked

Get naked

Bitch get naked

Bitch get naked

Fuck it, I'm a come in on the claps

Hit hit her bare doggie, and shot it on her back

And bounced like a froggy, and dipped like a mac

This molly here and smack, got me rollin like a Lac

I need a TD, goin too hard

But like a CB, you goin off 2 bars

Where pon at, I know you probably drunk

My ex just texted me, and I know she wanna fuck

And really I don't blame her cause bitch I do it

D2B, bitch I know it

In the spot posin, feelin like I am that nigga

Hoe, pull out yo phone, Instagram a nigga

Get naked

Bitch get naked

Get naked

Bitch get naked

Bitch get naked

Yea I got a gang of kids, fuck it

I take care of and they badass

Shout out to my baby mommas with they mad asses

Thanks for putting up with me and all my bad habits

Now fuck that nice shit, back to the business

Keep my back to the haters, only after the riches

Bout the dollars round here, all her actions are sick

'Cause all my niggas round me was with me in them trenches
Wuddup?
Waiting for the jury and the flight
You shooting dice, try to get em tonight
Cruise sure feels, just go ahead and push the button
Lysin to these hoes, sayin anything to fuck em
Compton California, don't ever disrespect it
Love my city, I'm a yell in every record
Love my gang I'm a yell in every record
