

Get on It

Problem

[Bad Lucc:]

Get on it, get on it, get on it, get on it, get on, get on it
Get on it, get on it, get on it, get on it, get on, get on it
Get on it, get on it, get on it, get on it, get on it, get on it
Let's go

I bet you like that
Mean when I bite back
I bet you like that
Mean when I bite back
Gon' shake it like you tryna get loose on me
Gon' shake it like you tryna get loose on me
Gon' shake it like you tryna get loose on me
I ain't scared, I'ma fight back, yeah
Take this money, get the hell away from me

Linda, Keisha, Michelle and Donna
Got a bag for Monique, a bag for Fonna
I got a bag for Dolce, bag for Ronda
Bag for CeCe, a bag for Vonda
Got a bag for Mani, bag for Deb
I got a bag for celebs, got a bag for 'em
I got a bag for more, a bag for love
Got a bag to show so I can bag some more

Get on it, get on it, get on it, get on it, get on, get on it
Get on it, get on it, get on it, get on it, get on, get on it
Get on it, get on it, get on it, get on it, get on it, get on it
Let's go

[Problem:]

I bet you like that
Mean when I bite back
I bet you like that
Mean when I bite back
Gon' shake it like you tryna get loose on me
Gon' shake it like you tryna get loose on me
Gon' shake it like you tryna get loose on me
Here's your shot, girl, take that
[?] in front of me, just like ahh

Turn it round for me, drop it back, bend it over
Baby, I just wanna fuck, don't wanna kiss, don't wanna hold ya
But I got a couple things that I really need to show ya
But I might get money, ain't got time to get to know ya
So baby, like what's up? Girl, what's up?
Oh baby, let me grab that, let me bag that
Lord knows that's a fat fat, that's a fat fat
Oh, look at that that, look at that that, oh

[Bad Lucc:]

Get on it, get on it, get on it, get on it, get on, get on it
Get on it, get on it, get on it, get on it, get on, get on it
Get on it, get on it, get on it, get on it, get on it, get on it
Let's go
Get on it, get on it, get on it, get on it, get on, get on it
Get on it, get on it, get on it, get on it, get on, get on it

Let 's go
