

killswitch

Problem

{West Coast, West Coast}
When the West hit the screen, it just feel different {West Coast}
When the West and your queen, it just feel different {West Coast}
Emulate all you want, boy, you still different
Oh no, I ain't done, time to kill switch it (What)

They like, oh, you can't say that
Niggas butt hurt, 'cause they bringing LA back
Don't act like y'all niggas ain't say that
Don't make me run a playback
'Cause nigga, we can kick up and start up
'Cause it's time to eat
Green light, at green lights, this shit can't get deep (Whoo)
This a safe space, I'ma shed light (Yeah)
If it's on, then it's on, on sight {On sight}
Bitch, a friendly squad will love pain, shit (On God)
And bro, I don't know how you go, but we don't war over hoes
'Cause these {bitches ain't shit}
Go ahead and push the button
Yeah, yeah, yeah, ready, set, go (Seesh)
Ho, get up, don't let your ego fuck your shit up
We talk not to fear no nigga (No nigga)

Hold up, wait a minute, all my niggas get gangster with it
Hold up, wait a minute, all my bitches get gangster with it

Shit, how much money can I get today?
And little mama acting like she with the shits today (Seesh)
A whole nigga out here, check the fits today
A nigga came with the sauce like a fish fillet (Hurry up)
Feeling like everything just clicked today
Had her hitting high notes like Michelin
(Take it, take it, take it)
Shit, it's like she had her first dick today
Now she love Jason
In about 10 months she'll be like, fuck Jason
Tell your homegirls that it's fuck Jason
Then you find out your homegirl fuck Jason
It's crazy {Crazy}, but it get crazier than that (On God)
Let y'all niggas have it, now I'm taking it back (On God)
No one right now, I'm impatient in fact
Give me that, man, y'all niggas ain't taking it back (Oh)
Compton P, or you can call me C-H-A-C-H-I, stay high (Whoo)
I stay doing what y'all niggas can't do

Play some more
Uh, uh, uh (What)

It's still fuck y'all niggas, fuck all y'all niggas
Marked all y'all niggas, and I'm quick to be out
It's like every broke pussy got my dick in their mouth
What's in the wind? Now back in
They can't figure me out
What I give to my loop?
G-Walking, chili hawking was a player, cold-hearted
Brick, going retarded. What's up niggas?
Thinking about going against the West

Challengers out there, we accept

Hold up, wait a minute, all my niggas get gangster with it
Hold up, wait a minute, all my bitches get gangster with it

The bullshit, we steal with it
Out of tolerance, we'll get it
War ready since the youth, we just deal with it
It's that ooh ooh ooh problem when that pill hit 'em
When the West hit the scene, it just feel different {West Coast}
When the West hit the screen, it just feel different {West Coast}
When the West and your queen, it just feel different {West Coast}
Emulate all you want, boy, you still different
Oh no, I ain't done, time to kill switch it (What)
