Heard you got a man now, how that rookie doing?  
Yeah, can he handle it?  
Probably not 'cause you still out here scandalous  
I hear you still love to turn up to my sex raps  
If he was handling the shit you wouldn't've text back  
Ok, I can expect that  
But you ain't living like you could, I don't respect that  
I reject that  
You horny I detect that  
He getting to the bag?  
We don't flex where I flex at  
So I understand why you text back  
Baby just respect where the checks at

Still on your mind?

You miss all that nasty shit don't you?  
We fuck and don't care if I post you  
'Cause when shit's a secret it's closer  
It's over, but still seeking closure  
I get it  
Shit hit the fan and I'm with it  
Girl you gotta get it how you get it  
I'm in Mercedes and you in a Civic  
I get it I know that it's your time to pivot  
So you had to do what you gotta do for the better  
My crew next so I ain't sweat her  
She brought that mail I gotta let her... go find herself better  
Now we in a hell of a predicament  
'Cause I'm popping like a mothafucka D2B shit's rocking like a mothafucka  
Don't roll deep 'cause I'da socked a couple mothacuckas
