Stopped in the Adidas store to pick me up some shell toes
Asked her what your name is?
Where you get you Nikes?
She ask me was I feeling her?
My response was high key
Asked me was I single
I said bitch I might be
She said boy you too fine
So that's so unlikely
Ouu I'm glad your eyes were
She start laughing and said you first
She let it tho

I cracked her on Melrose
I cracked her on Melrose
I cracked her on Melrose
I cracked her on, I cracked her on
I cracked her on Melrose
I cracked her on Melrose
I cracked her on Melrose
I cracked her on Melrose
I cracked her on Melrose

First night we kicked it
She let me fuck
(Let me say taht again)
First night we kicked it
She let me fuck
Made me smile
I made her bust
And I cracked her on Melrose
And now she keep on calling me
Texting me wanna cook for me
And all my homies too
Now she telling me that she love me
Wanna be with me when fucking was all we was supposed to do
On Melrose, that's where I met you baby
And on Melrose, that's where I should have left you baby

I cracked her on Melrose
I cracked her on Melrose

I cracked her on Melrose
I cracked her on, I cracked her on
I cracked her on Melrose
I cracked her on Melrose
I cracked her on Melrose

I cracked her on Melrose
I cracked her on Melrose
I cracked her on Melrose
I cracked her on, I cracked her on
I cracked her on Melrose
I cracked her on Melrose
I cracked her on Melrose
