I got a question for you, yeah, yeah  
I got a question for you, hold on, uh, I got a question  
For you, hold on, I got a question for you

What would you do for all this money on the table?  
What would you do for all this money on the table?

Uh, would you be nice to me?  
Or would you give bad advice to me?  
And would you tell me what I need to know?  
Yeah. just say anything just to bleed, bro  
Would you leave your best friend at the club for me?  
Hop in the whip to get some love for me  
Hit my BM and get my son for me  
Get on the stand lie to the judge for me  
Or set me up late night and put your thugs on me  
I gotta ask, would you clean for me?  
Cheerlead and rep the team for me  
Is this the shit to make you fiend for me  
It disappears, would you still want me?  
Still want me, on the real homie

What would you do for all this money on the table?  
What would you do for all this money on the table?

You could tell me  
Would you leave your man for it?  
Times got tough, would you dance for it?  
If I left the room now, came back in five minutes, count it up  
Would it still be the same number?  
Would it?  
Keep it a hundo  
Go head  
Bust it, bust it open for me right on the bed  
Fuck it, let's count it  
If that number don't match  
I'ma double that then drop it right on yo head  
Would you change your life for it?  
Do some things that your daddy won't like for it  
Let me know, let me know  
I got a question for you
