'Cause I'm buyin' if you tryin'  
To fuck with a real nigga like me

Better tell you, shorty with a real one  
You can have anything, Hennesey, vodka or tequila  
You and your squad, 'til we all tipsy  
The homie brought gin, other homie brought whiskey  
Mix it all up, let's throw it in a bowl  
Fill up my bong, let's hit another bowl  
Few more drinks, I'm a hit another zone  
Everybody gone, ain't nobody home, so baby
