

STILL BE SMOKIN 2019

Problem

(Doo-doo-doo-doo)
(Doo-doo-doo-doo)

Sunshine and rainbows, and
Reindeer, I see it when I'm smokin'
Nightmares and chased by a Build-A-Bear
Got crazy blues in my head and I still be smokin'

(Doo-doo-doo-doo)
(Doo-doo-doo-doo)
(Doo-doo-doo-doo)
Oh, yeah, I still be smokin' (Doo-doo-doo-doo)
(Doo-doo-doo-doo)
(Doo-doo-doo-doo)
Doo doo (Doo-doo-doo-doo)
Yeah (Doo-doo-doo-doo)
I'm still smokin'

And baby wanna holla, baby
And let me do the cabbage patch
I, I still be smokin'

(Doo-doo-doo-doo)
Doo doo (Doo-doo-doo-doo)
Yeah (Doo-doo-doo-doo)
Oh yeah, I still be smokin' (Doo-doo-doo-doo)
(Doo-doo-doo-doo)
(Doo-doo-doo-doo)
Doo doo (Doo-doo-doo-doo)
Yeah (Doo-doo-doo-doo)
I'm still smokin'
(Doo-doo-doo-doo)

I kiss your brown skin and it makes me feel so elevated (Still smokin')
But what it's gon' do to me, I say
But what it's gon' do to me
I list my dreams and then I see them eyes wide open, I say, uh
It must be time foolery, I say (Still smokin')
I'm way too fuckin' cool to be

Questionin' myself, all in my head (Head)
You ain't no impostor, got a queen all in your bed
I put that on my rosters, dress hang down to my legs
Well, not quite, relax in the middle of spotlight
The smoke in the air makin' heart shapes
Them art shapes
Way hotter than sand, go carpe diem
Yeah, you see him
Inhale God and exhale all my demons
Elevate past clouds, hear angels singin'
Super
