You actin like a beautiful lady
But you still a bitch... when I leave
I just ain't ain't gon' call you a bitch to your face no more
Like I see I, cause I I feel
I don't wanna disrespect you
On the real [laughing] y'know, but I expect you to
Stay, in a a in a bitch in, in your bitch mode!
You, you kinda undersmell what I'm tellin you because you feel

You too, y'know bitches listen to this type shit, they know
They know when they fuckin [laughs] when they
When they rat ass, is bitches they know it

It's like, when you get a new shirt or somethin y'knahmean?
Y'know they put that on every day like "Youse a bitch! "
I can see it once you leave, once you get up, when you wake up
You ain't nothin but a constipated-ass bitch
And, and you just gotta deal with it and keep movin, feel me?
Cause these old frappy ratchet-ass hoes

Bitch just lower your personality hoe y'knahmean?
Cause I do it, I KNOW IT
