

Too Much

Problem

Here we go (For an entire day, and that you need) to the mobbin'
Uh-oh, yeah, hey

It's too much real shit going on
Quit worrying about the fake, nigga, yeah, yeah
(Quit worrying about the fake)
It's too much real shit going on
Quit worrying about the fake, yeah, shit
(Don't worry about the fake, yep)
It's too much real shit going on
Quit worrying about the fake, yeah
(Uh, quit worrying about the fake)
It's too much real shit going on
Quit worrying about the fake, yeah, yeah
(Don't worry about the fake)
Quit worrying about, quit worrying about, what (Uh)

Don't worry about the fake 'cause the hate gon' come with the plate
The peons, they hella late, they late like holiday freight
And bitch, I'm one of the greats and that ain't up for debate (Yep)
I'm too real to be unreal, too thorough, crispy and polished
Most of y'all favorite rappers, them niggas is garbage
I got a shift kit on my mouthpiece, don't need no iron, I'm creased
I can bump a batch with one teeth in my mouth and a piece

It's too much real shit going on
Quit worrying about the fake, nigga, yeah, yeah
(Quit worrying about the fake)
It's too much real shit going on
Quit worrying about the fake, yeah, shit
(Don't worry about the fake, yep)
It's too much real shit going on
Quit worrying about the fake, yeah
(Uh, quit worrying about the fake)
It's too much real shit going on
Quit worrying about the fake, yeah, yeah
(Don't worry about the fake)
Quit worrying about, quit worrying about

If I ain't got it, I can get it or I can find out where it's at
(Find out where it's at, find out where it's at)
As long as you don't try to line me up and stab me in the back (Uh)
As long as you don't try to get me chipped and get a player capped (Yep)
Misery love company, but company don't like misery
Now are we getting along? We better be, we family
I finally figured it out, I think I finally figured it out
Stop making excuses for ninjas and giving 'em the benefit of the doubt

It's too much real shit going on
Quit worrying about the fake, nigga, yeah, yeah
(Quit worrying about the fake)
It's too much real shit going on
Quit worrying about the fake, yeah, shit
(Don't worry about the fake, yep)
It's too much real shit going on
Quit worrying about the fake, yeah
(Uh, quit worrying about the fake)

It's too much real shit going on
Quit worrying about the fake, yeah, yeah
(Don't worry about the fake)
Quit worrying about, quit worrying about, what

Yep
Yep
