

Weekend Dad

Problem

One time for the weekend dads
How much time does the weekend have
Let me spoil them with love before they go
Because them weekends fast
Good or bad, I make them weekends last

Apologize for any weekends past
Maybe your mom got mad at something I did and revoked my past
Or I rescheduled cause I was getting that weekend cash
So when I finally get to get you
I hug you and kiss you massively
In hopes of making up for them nights that you had to ask for me
Praying you don't blame yourself for all that's happening
Cause everything is my fault
Not your momma's
Sometimes they treat us like we are not your father
Cause we ain't let them talk to us crazy
We are not your daughters, watch your lips
Drop you back off and give you kisses on your cheekers
Things stay cool
I'm picking you up next weekend

One time for the weekend dad
That wasn't trying to be a weekend dad
Tried to put up with whatever that he could
To keep the peace in the fam
Even compromise being a man
Only few understand
One time for the weekend dad
Just got the text to show weekend dad
Let's not make this sad
Call the fam and throw a weekend bash
So yo mama can see them babies cause these weeks go fast
So when I finally get to get you
I'll hug you and kiss you massively
And nights will make enough for the nights that you had to ask me

This shit just happens too rapidly where I come from
We must admit this is a topic we should not run from
The aftermath of what happens when all the fun's done
I'm gonna stay the nasty come here
We straighten the shit up

You really can't trust them
You can't trust anybody
They might be imposters
They try to be nice
Until it's the right time
To be the bad one
It will be an imposter
An imposter
And remember if anybody
Says mean things to you
You know who you are
Even if they don't you do
So even if they say
Like oh my god you're ugly
I know that I'm pretty inside
So if you guys
Like a bully
Anything
Guys
It only matters what's in the inside
More than in the outside
Strange
