Dropping the undropped  
Blowing loud drum  
I give him valuable prices

He gets that loud life  
Askin' the shooters to clap  
Like the crowd goes  
This life shall move  
Like the callies go  
Money stay on track  
That's how we roll  
Fire everything, I mean hell no  
My bitch balls  
Lisa Leslie, she's a spark  
Shoppin' when the store closes  
Call it after market  
Let me, let me let me show you how I work a bitch  
Have a strip naked  
Make her ass work a bit  
'80s baby flexin' on my Turkey sheets  
Diamond lanes, hustle gang  
What are you workin' with?

Drop Bourbon  
We swervin'
