

WORKOUT

Problem

But you don't hear me though
Funk, funk, funky (Hey, hey)
Funk, funk, funky (Hey, hey)
Funk, funk, funky (Hey, hey)
Funk, funk, funky

(Workout) Express yourself
Do your thang in the mirror, express yourself
We all make mistakes, correct yourself
If you don't like they style then dress yourself
Workout (Get it, bitch; get it, bitch; get it, bitch)
Workout (Get it, bitch; get it, bitch; get it, bitch)
Workout (Get it, bitch; get it, bitch; get it, bitch)
You gave it everything you had, I know it's gon' workout

Turn up, can't be cute but the pussy game basic
Drop and she twist, now I'm sick, medication
Head in the bed, didn't know what she was facin'
Blast like a spaceship (Boom)
Hold on, uh, work it out 'til the lick right
Bougie bitch with her back to the hood light
Niggas gonna look at it like a hood fight
Yoga and pilates got the grip tight (What?)

(Workout) Express yourself
Do your thang in the mirror, impress yourself
We all make mistakes, correct yourself
If you don't like they style then dress yourself
Workout (Workout, stick that motherfucker out)
Bend over, let that motherfucker bounce
Workout (Back it up, break that motherfucker out)
Ass up (Ass up), face down

Breathe in, breathe out
Breathe in, breathe out
One man's trash is another man's treasure
(But you don't hear me though) What?

Express yourself
Do your thang in the mirror, impress yourself
We all make mistakes, correct yourself
If you don't like they style then dress yourself
