

## Wrong

## Problem

Am I coming into [?]  
Okay, alright

You fucked me like you love me  
But I know you really don't, don't  
You put everything above me  
But I can't leave you alone, alone  
You the (nigga that I fuck with, fuck with)  
You the (nigga that I fuck with, fuck with)

That's a sacrifice to fuckin' with a real nigga  
Paid nigga, rich nigga hey listen nigga  
[?] plus I'm A1  
[?] I'm a hit you when the day's done  
Can be on it niggas that's out here makin' case come  
You don't be mad when you in the best week relation front  
No Instagram and no picture together that ain't [?]  
I run my program, we fucked it him up  
It's grind time no slow-jams  
You knew the deal before you got into it  
Now you actin' crazy like you smokin' on him  
Buy me fluid everytime we get into it  
You gettin' all mad, sayin' you ready to go  
Gettin' up set over dumb shit like you'd never know  
That it was gonna be like this  
Even though we get together  
Baby girl you know we ain't together  
Stop trippin'

You fucked me like you love me  
But I know you really don't, don't  
You put everything above me  
But I can't leave you alone, alone  
You the (nigga that I fuck with, fuck with)  
You the (nigga that I fuck with, fuck with)

You the one I know it [?] stop being mad  
The pussy miss me I know it do  
You homegirls tell you I'm fuckin' I know they do  
But I'm single and I ain't married  
I'm just too old to just go with you  
So damn it why we keep talkin' bout the same shit?  
I took you from a nigga, I won't do the same shit  
Now it's your turn, got a [?] to struggle  
Same reason why you love is why you hate me, my hustle  
Goin' hard all day so is you with me is the question  
Know I got my hustle first put everything else's in second  
And that includes you, and I know that hurts  
That's why I spend extra on that purse  
Now take off that shirt girl  
And stop fucking play with me

You fucked me like you love me  
But I know you really don't, don't  
You put everything above me  
But I can't leave you alone, alone  
You the (nigga that I fuck with, fuck with)

You the (nigga that I fuck with, fuck with)

I wanna leave you, but the dick too good (whaat)

Man fuck this nigga, fuck this nigga

Do I still wanna fuck this nigga, I don't know, I don't know
