Sprees at Vinnie's;

My baby;
Live crazy and die of old age, we;
Stress free everything's all love lately;
Ever since we hooked up, life is wavy;
We anchor the yacht wherever the sun blazing

Rolling up before the first ones even over;
We run the game, Taylor Gang, we never sober;
The kush I'm smoking on's from the grower;
The smells reminiscent of a motor;
Cut from the same cloth cause G's all the same;
Me and prodigy seeing all this change;

My weed got to be from the stronger strain;
I'm cool with the pilot, I bring it on the plane;
Say I'm ruthless, bitch, that's why my coupe is;
I got all this new shit off of doing music;
Fuck the money, rap for family the most;
Been rich so long, can't remember being broke;
Get high so much, don't know it's like being low;
I take a nigga's crib and spend it on a coat;
That means I'm balling like ball game;
30 thousand on this Balmain

No cat calls, no shorty, shorty!;
No excuse me miss;
