Straight cash you niggas trash

Not a personal opp my arsenal cocked  
Your man fresh home tell P throw 'em a block  
I got a mind on my own point 5 on a home  
Nigga I'ma ride 'til I'm gone  
The gun will load'n'lock 4-4 pop  
I'm around that will make 'em do the toe wap  
ASAP all means layback hold in  
Maybach 14 bitches want the whole team  
Certainly heard of me bet drop  
Burgany ice on 3rd degree sure to be  
Hottest on the block and I...  
Game on lock and I [?] from the traps and I...

I'm from the trap getting money bitches yelling

The death of don gone boss of bosses  
Chief of chief speak on me you better be respectfully  
My enemies know better than to fuck around call me down  
Think before they move better plan it out  
Like military strategist commanders and generals  
My soldiers my criminals flip on you for G principal  
We're uniquely invincible these niggas is typical  
Our gun spit lyrical singing yeah the whistle to  
The air and connect with whatever the target  
We getting big money y'all niggas is getting me started  
With all that bloodclot crying and [?] hollering  
Got your bitch pussy [?]

I'm from the trap getting money bitches yelling
