

Like I Always Do

Prodigy

My phone's been quiet
All day, all night
Now it's 2
I hear from you
You say you love me
Say you love me only
And that might be true

I heard it all before
You're still wrapped up in us
You don't want this anymore
We used to call it love

So I'm sitting here
Drivin' myself all kinda crazy
Do anything to tell myself
That I won't think about you
You're always changing moods
Like a record slips out of grooves
But we ain't faded like an old tattoo

I'll tell myself not to call
Convince my heart not to fall again
But if I'm bein' honest
I'm drownin' in all the silence
I know that I'ma take ya back
Like I always do
Like I always do

Two headlights
Pull in your drive
Pull me inside
A familiar place
Between the sheets
You and me
But I know in the mornin' everything will change

So I'm sitting here
Drivin' myself all kinda crazy
Do anything to tell myself
That I won't think about you
You're always changing moods
Like a record slips out of grooves
But we ain't faded like an old tattoo

I'll tell myself not to call
Convince my heart not to fall again
But if I'm bein' honest
I'm drownin' in all the silence
I know that I'ma take ya back
Like I always do, oh yeah
Like I always do

I heard it all before
You're still wrapped up in us
You don't want this naymore
We used to call it love

Drivin' myself all kinda crazy
Do anything to tell myself
That I won't think about you
You're always changing moods
Like a record slips out of grooves
But we ain't faded like an old tattoo
Oh yeah

Drivin' myself all kinda crazy
Do anything to tell myself
That I won't think about you
You're always changing moods
Like a record slips out of grooves
But we ain't faded like an old tattoo

I'll tell myself not to call
Convince my heart not to fall again
But if I'm bein' honest
I'm drownin' in all the silence
I know that I'ma take ya back
Like I always do
Like I always do
