Action

Prof

Who the fuck are you?

Tough as shit, you can test my grit, I'm a big bad man
Don't say shit, I could fuck your bitch, I'm a big bad man
Fuck the pigs, they can suck my dick, I'm a big bad man
And I'm starvin. Gimme some, gimme some, gimme some action
I can't be fucking stopped
I can't be fucking stopped
I can't be fucking stopped

I'm aggressive, I'm an animal, I'll take what I want
I'm a dodgy looking cunt, I'm dangerous, go find out
Unpredictable, I'll take the safety off of my gun
Like, no safety net, let's see how close I fly to the sun
Oooweee, say I'm impolite and so quick to fight, bitch
Sue me, say one of these days it will catch up to me bitch
Please. If you're so scared, go to church or maybe call the
Police

Who the fuck are you?

Tough as shit, you can test my grit, I'm a big bad man
Don't say shit, I could fuck your bitch, I'm a big bad man
Fuck the pigs, they can suck my dick, I'm a big bad man
And I'm starvin. Gimme some, gimme some, gimme some action
I can't be fucking stopped
I can't be fucking stopped
I can't be fucking stopped

Already know when I step through the door that I came with a crew with me
Already know that the lames over there probably saying that they're cool wit
h me
Already know that the fight in the back got ain't nothing to do with me
Let's figure this out, how close can I fly to the sun?
Got up outta bed and started thinking to myself:
I'm bout to grab an alligator, gonna kill the motherfucker
Make a jacket out the leather, then I'll meet up with your mother
Then I'll fuck her like in jail, fuck her like in jail or a Chippendale
Pale ale sippin now, grip it down, rip it down, Riverdale
Unstoppable object, announcing a bomb threat
Broadcasting right from the projects

Tough as shit, you can test my grit, I'm a big bad man
Don't say shit, I could fuck your bitch, I'm a big bad man
Fuck the pigs, they can suck my dick, I'm a big bad man
And I'm starvin. Gimme some, gimme some, gimme some action
I can't be fucking stopped
I can't be fucking stopped
I can't be fucking stopped

Kill, kill, I got no chill
How I'm s'posed to keep it real?
Kill, kill, I got no chill
How I'm s'posed to keep it real?
Kill, kill, I got no chill
How I'm s'posed to keep it real?
Kill, kill, I got no chill

Still looking for a thrill

99 on the wall, knock em down, fuck em all
98 on the wall, knock em down, fuck you up
96, 5, 4, 3, 2, 1
