

# Andre The Giant

Prof

Knocked his ass out and kissed him on the cheek, uh  
He fucked up just by thinking I was sweet, uh  
I run this city, might have thought I wore some cleats, uh  
Ain't ever heard someone like this up on the beat, huh?  
Tootie fruity, the booty duty is jury duty  
Moody foodies, jacuzzis is filled with boujee booties  
All of this money don't know how to count it, man  
I think I need a computer  
I kill every demon, I live at the funeral, I got no need for a shooter

Yah!  
I'm gettin' bigger, gettin' bigger, huh?  
Yah!  
Do you wanna reconsider, huh?  
Yah!  
Lost control of a killer, huh?  
Yah!  
I'm gettin' bigger, gettin' bigger, huh?

The whole label's drug dealers, huh (dealers, huh)  
If you build it, homie, they will come (they will come)  
If you turnin' up then save me some (save me some)  
Drop down and get your eagle on (eagle on)

I don't care for boring people  
I think you're lame  
I only politic with goons who wil' out the frame  
Better take another shot, bitch it's not a game  
I'll beat it out the frame  
Barack a Waka Flocka Flame

I am belligerent  
You know that I have a problem with acting a fool  
I don't talk to police  
I know nothing  
I swear to God that that shit is not true  
I'm a barbarian, hopped on adrenaline looking for something to do  
I'm remarkable, I'm on a roll  
If you need education, I'll take you to school

Yah!  
I'm gettin' bigger, gettin' bigger, huh?  
Yah!  
Do you wanna reconsider, huh?  
Yah!  
Lost control of a killer, huh?  
Yah!  
I'm gettin' bigger, gettin' bigger, huh?

Wake up, brush off, get clean, look good  
Put on two chains, flexin', then wussup?  
So fly, to see, me you, look up  
I win, you lose, fuck you, what's up?

I don't care for boring people  
I think you're lame  
I only politic with goons who wil' out the frame

Better take another shot, bitch it's not a game  
I'll beat it out the frame  
Baraka Waka Flocka Flame

I'm the shit, I'm the shit, I'm the shit, I'm the shit  
Now I think I will go catch a body  
Fuck your bitch, fuck your bitch, fuck your bitch, fuck your bitch  
And then I will go take a potty  
No teriyaki, I ride Kawasaki  
If your girl suck dick she can hop in the shotty  
She poppin' a molly  
While coppin' a squaty  
Ooh, cookie I'm loving the body

Yaaa!  
I'm gettin' bigger, gettin' bigger, uh  
Yaaa!  
Do you wanna reconsider, uh?  
Yaaa!  
Lost control of a killer, uh  
Yaaa!  
I'm gettin' bigger, gettin' bigger, uh
