I'm in the candy paint Seabreeze
Crawlin' like a kitten
Feelin' like a crocodile lookin' for a chicken
Absolutely, I'm a hyena
A track factory, like I work in Chi-ee-na
I'm the coolest motherfucker you've ever seen
I smell like potpourri when I ain't even clean
Last man standing, first man home
I'm a clever motherfucker, call me Sherlock Holmes
I rap lethal, I click and I clack
But would you believe I game spit as 'bout as good as I rap
And I've been lookin' for a rapper that as good as your boy here
Still can't find 'em, man I swear I have no idear
I'm at your shows and I'm snoozing like a opossum
You're at my shows, like, "This is totally awesome!"
Powderhorn trick, yeah, I rep my hood
I plan to live forever, so far so good!

I'm in the club, fist-pumping like a champion
Prof is on the radio, mushroom stamping 'em
I'm constipated, I don't give a shit
Love a woman, fuck a bitch, Prof is such a hypocrite!

Line 'em up, look 'em down
Pick 'em up, take 'em out
Hit 'em out, lay it on, take it off
Start again!
Line em up, look em down
Pick em up, take em out
Hit em out, lay it on, take it off

I'm heavy as a hippo, that hit the lotto
Blast off to Apollo, that is the motto
P is for Pelican, R is for Rabbit
I'm fly, I'm fast, I stack cabbage
O is for Oxen, F is for Falcon
I'm in between all of these animals like Malcolm
And fuck the record sales, I ain't even counting
Just when you turn it up make sure the shit's bouncing
