

# Corner

Prof

I'm thinkin' about the future, future  
'Cause it's gotta be better than this  
Just right around the corner, corner  
I'll understand what happiness is  
I'm thinkin' about the future, future  
'Cause it's gotta be better than this  
Just right around the corner, corner  
I'll understand what happiness is  
Oh yeah  
I'm thinkin' about the future, future (the future)  
'Cause it's gotta be better than this (than this)  
Just right around the corner, corner (the corner)  
I'll understand what happiness is (yeeeaaaahh)  
Oh yeah

I'm thinkin' about the future, future (the future)  
'Cause it's gotta be better than this (yeah) (than this)  
Just right around the corner, corner (the corner)  
I'll understand what happiness is  
I'm thinkin' about the future, the future, be better than this  
Right around the corner, I'll finally understand
