You know they tried to get me like a lick, aye
Even when they didn't know shit, aye
I been shootin' straight from the hip, aye
Took your fuckin' shot and ya missed, aye
You know I never really said rhymes, aye
You know I had to move through the slime, aye
Everybody know it's my time, aye
Everybody know the state mine, whoop
On your way out grab a coat or somn
Everyone here know that the old shit done
If you used to a drought watch the ocean come
Ding dong ping pong, I'm a hole in one
Man I seen the dude's shows and I hope it's fun
I'll murder everybody by 5 and get some bowling done
I ain't leaving nobody alive man I'm the chosen one
Ima fuck the game up till the trojan done

You know I had to deal with the snakes, aye
Stuffin' they face with cake, aye
Now they feel the wrath of the grapes, aye
Now I'm all gas, no brakes, aye
Meanwhile I'll turn to a logo
If they was some birds they'd be dodos
Oh bro, oh no, Ono Yoko
They killed themselves pro-bono
I swear I was in Italy, Sicily Italy, it was just little league, bitch are y
ou kidding me
Full of stupidity, who could think differently, literally karma hit instantl
y
Here I am standing alone
Without me no-one would ever have known
I didn't even need open my throat
Now just sit back and just go watch the throne
