Prof

Ay, Yo  
Game, set, match  
Blouses (blouses)  
Black don't crack you lookin' at youth I'm a  
Fountain  
Told alko bounce it I'm on a wave you can ask my  
'Ccountant  
I'm a stud on a mic tell my buds keep it light it's gettin'  
Crowded (George handle my light work please!)  
I'm at the Collins we grubbin'  
I couldn't tell you the last time I had a McMuffin  
I couldn't tell you the last time I looked at the check and then checked in  
to ask bout the budget  
I couldn't tell you what these rappers' purpose is I just know that it's som  
ething I'm never bumpin'  
All that I'm doing supporting the homies took chances on rappers like I'm Do  
nnie Trumpin'

Listen  
I promise you that you don't want it  
Never saw beef on a beat that I couldn't stomach  
Nothin' is funner  
Switch it to rock like I'm gonna  
Brrrrrrrt machine flow  
Blowin' holes in these John Does  
Turn 'em donuts  
Counting my zeros  
I keep a 'stache like Anees though

Heh he ya'll don't get it  
I don't care about a critic  
I ain't lookin' I run it as debit, the way that you move is pathetic  
Lately I've been on my edumacation  
Gave me the blueprint give me some credit  
I'm running the plays like Jerome  
If you ain't with us then Bettis

Errybody know I'm the gold  
Errybody know you a troll  
Errybody know that I'm cold  
Errybody know how it go  
Errybody know! (errybody know)  
Errybody know I'm the gold  
Errybody know you a troll  
Errybody know that I'm cold  
Errybody know how it go  
Errybody know! (errybody know)

Aight Yo  
Big boy on the track like a caboose  
The bigger the booty the sweeter the juice  
Go send me your nudie I'm new to the whoops  
Go to the dentist I need a new tooth  
Need some new boots, I'm goofin', I'm loose  
I'm shootin' at troops, you look like a doofus  
Let me peruse  
I'm makin' some moves

I'm takin' your shoes, hadouken  
Damn that was impressive  
No cap!  
Once you heard me you cannot go back  
Everybody knows like Bo knows that  
Bo knows... Bo knows...  
Bo knows I'll bone those hoes pro bono  
Hey bozo  
Get ready for the photo I'll showboat from the logo  
My advice for you is don't fight this shit  
Play this motherfucker back 'til you like the shit  
I'm about to play nice and fly a kite with that spice and shit  
Errybody knows that this track is bussin' (bussin')  
Errybody knows you fine like my cousin's cousin  
And she on Oprah

Errybody know I'm the gold  
Errybody know you a troll  
Errybody know that I'm cold  
Errybody know how it go  
Errybody know! (errybody know)  
Errybody know I'm the gold  
Errybody know you a troll  
Errybody know that I'm cold  
Errybody know how it go  
Errybody know! (errybody know)
