

President

Prof

I'm the president, I do my thing
I run this city, I'm the fucking king (Gampo!)
Yeah, I bring 'em out
I parties like a motherfucker, help me out

Yep! Two houses on the south side (Property!)
I bought land motherfucker, meet me outside
I cross the globe slow like a tornado
Fuckin' with the P.R.O.F is so past your honor roll, listen
Look at this, another party sold out (Every day!)
I made a movement in the Norsk, it's the cold south (Every day!)
This Ric Flair, it has got me on the swole
I'm a catch a million, I'm a buy a boat!
Who parks like me? Kill the club dead
Who fucks like me? I break the fucking bed
Hustled up some bootstraps, son, I tightened my belt
It runs in my city, so I signed myself
I'm a thoroughbred, powderhorn is in my nuts
I keep two of 'em, in case some bitches wanna fuck (Always!)
People ask if I'm the best as if that is a question
If you're thinkin' that you could be even with me, I'd find that quite offensive

I'm the president, I do my thing
I run this city, I'm the fucking king (Gampo!)
Yeah, I bring 'em out
I parties like a motherfucker, help me out

I'm the president, I do my thing
I run this city, I'm the fucking king (Gampo!)
Yeah, I bring 'em out
I parties like a motherfucker, help me out

Back to the fast side from a crack pipe, and I guess my place is sick
Waitresses, put 'em all together 'till their faces kiss, basic shit!
These rappers shows is so bogus, oh no, what a race this is
So sue me, Suzy, sprayin' Uzi, and a path to the plaintiff sits
These Whiskey muscles got me on the plump
Today I'm 'bout to ride an elephant around the south side, eat some pussy for lunch
Because this Ric Flair got me on the swole
I'm a catch a million, I'm a buy a boat!
Fuckin' rappers, they all dog shit
They can get on they knees, I need my balls licked
I need the rip fast, whiplash, homeboy
Get cash on toys, piss test, NO!
Point blank is I remain the wildest MC in the state (True!)
Catch a quick buzz and I lift up shot for shot, try to keep pace
Put it all together and you'll never find another rapper that'll do a show like me
I do what I want whenever I feel, walk in the white house, I don't even show ID!

I'm the president, I do my thing
I run this city, I'm the fucking king (Gampo!)
Yeah, I bring 'em out
I parties like a motherfucker, help me out
