

Spellbound (The Beginning)

Prof

Looking back, my life couldn't have been harder on me
Lord knows I deserve a break
What a pretty motherfuckin' sight to see
You're impossible to shake
I gave up on the first sight, girl, you have won
I can't get out my way, sometimes I just get lost
You a bad mama

You'd be like heaven to touch
Just make my dreams come true
Heaven to touch
Just let that dress undo
Heaven to touch, spellbound
Show me that you feel the same
You'd be like heaven to touch
Got Nirvana running through my veins

Can I come over on a weekday
In the morning, when it's early
I can't stay at my place, it's too ugly, yeah
I don't think there'll ever be a question, or a reason you won'
t love me
I could see us in our 30's, with a baby, yeah
You got me crushed to pieces
I've been down deep, I've seen the bottom
I have reckless tunnel vision
Oh won't you take these chains off me
I won't lie, won't lie, you can save my life

You'd be like heaven to touch
Just make my dreams come true
Heaven to touch
Just let that dress undo
Heaven to touch, spellbound
Show me that you feel the same
You'd be like heaven to touch
Got Nirvana running through my veins

Can I come over on a weekday
In the morning, when it's early
I can't stay at my place, it's too ugly, yeah
