

Wildchild

Profane Omen

I ride; I ride the winds that bring the rain
A creature of love and I can't be tamed
I want you, cause I'm gonna take your love from him
And I'll touch your face and hot burning skin.

No he'll never ever touch you like I do
So look in my eyes and burn alive the truth.

I'm a wild child, come and love me
I want you
My heart's in exile I need you to touch me
Cause I want what you do
I want you.

Tell me tell me the lies you're telling him when you
Run away cause I wanna know
Cause I l'm sure it's killing him to find
That you run to me when he let's you go.

Cause I'm burning, burning, burning up with fire
So come turn me on turn the flames up higher.

I'm a wild child, come and love me
I want you
My heart's in exile I need you to touch me
Cause I want what you do
I want you.

A naked heat machine I want your love
When the moons arise we'll just what it does.

L'm a wild child, come and love me
I want you
My heart's in exile I need you to touch me
Cause I want you do
I want you.
