

Active

Professor Green

I'm active
Went out and I came home with an actress
I told her I was done with all the madness
Then she found a (click) under my mattress
I'm active, I'm active, I'm

Active, oof
That back's got me doing backflips
I'm wavey, I'm Swayze, I'm Patrick
Tennis, tennis, tennis, tennis racket
I'm active, I'm active

I'm PG, I'm dead cool
Vodka and Red Bull
Superhero, Deadpool
Learn a lesson, boy, get schooled
Crush you out, I'll X you
Fuck you and my ex too
I ain't talking about my ex-wife
I'm unique, I'm special
I'm active
Tennis racket, racket, racket, racket, racket
Tell me, whose coat is that jacket?
And then tell me whose coke is that packet?
Cause I'm active, I'm active
I'm active, I'm batshit
Crazy, I'm crazy
Broke into a flat through a cat flap
Then took a piss in the catnip
I'm that sick, three birds
One rubber, Jimmy hat trick
And I'll be this way till
I'm a geriatric, I'm active, I'm

Active, oof
That back's got me doing backflips
I'm wavey, I'm Swayze, I'm Patrick
Tennis, tennis, tennis, tennis racket
I'm active, I'm active

I'm active
Went out and I came home with an actress
I told her I was done with all the madness
Then she found a (click) under my mattress
I'm active, I'm active, I'm

Savagery
Andre Agassi
I'm on centre court like "racket, please
Give me the racket, please"
Don't make it go John McEnroe
Kick down the door to your happy home
Back in this, I'm backing Pro
Like Dwight Yorke and Andy Cole
Played ball, init
Yeah, your wifey's a whore, init
Relationship goals, I scored in it

In the box, I'm onside
I'm off nut, I'm online, I'm on stuff
And at band camp this one time, I was active
Two girls in one night, I smacked it
I told her just let me wet the head like a baptist
Next thing you know, woosh, Atlantis
I'm active, I'm active

I'm active
Went out and I came home with an actress
I told her I was done with all the madness
Then she found a (click) under my mattress
I'm active, I'm active, I'm

Active, oof
That back squat was doing backflips
I'm wavey, I'm Swayze, I'm Patrick
Tennis, tennis, tennis, tennis racket
I'm active, I'm active, I'm
