Just to shot a .9, B

Poor portionary, drive (Beep, beep)
Get in a beep, beep when I drive her
Swat seizing, drive for
Slap her, wavin' goodbye to my pals (Bye)

We should link up, have a little drink up
I still say what I think, blud

In the fur like I'm in a blizzard
Eatin' MCs for desert

Run through it, fly through it
Anything I say before, I say goodbye to it (Bye bye)
Bye bye, used to call things my size
Now I'm Thais drinkin' mai tais
Welcome to my world (Welcome)
Is that your girl or is it my girl? (Who know?)
I'm tryna figure out what the difference is
Between you and me's a couple differences (Still)
You make money, I make more
I get what I want, you get what you pay for
