All the time I have layed in your lie When your love kept me safe through the night All the time I was sure you were mine And before time demands our goodbye Can you sing me a last lullaby?

It's been a while since I last dreamt Barely remember what it's like to dream Finding it hard to get to sleep, too stressed And there ain't anyone to sing a lullaby to me Pretend shit doesn't get to me And I suffer in silence when I'm hurting A man's problems are his own And it's my burden Tossing and turning, trying to get to sleep But I find it hard to switch off when my mind's working I ponder on things I shouldn't ponder on Off the rails, my train of thought's wandering Sick of pretending to be so happy All the while my anxiety's away at me My skin crawling, I look up to the sky And it falls, the walls close in and it's As if all the good in my life disappears In an instant, that thing is just so distant So seeing the ones who I love, the ones who love me But I don't wanna tell em how I feel in case they judge me It's just me, wish I could let somebody in But I ain't ever been too trusting

All the time I have layed in your lie When your love kept me safe through the night All the time I was sure you were mine And before time demands our goodbye Can you sing me a last lullaby?

Oh, yeah,
Oh, oh, oh, oh
Oh, oh, oh, oh,
Oh, oh, oh,
Oh, yeah, yeah,
Oh, oh, oh, oh
Oh, oh, oh, oh

I've barely had any sleep when I get up
Sick of all these nightmares and these night terrors
Like it's only when I'm in heaven that I sleep better
Might sleep better when I get up, I'm weak
It just makes my day harder, I wonder if
It would've been any different if I had a father that I knew
Could it have helped shape the way that I grew?
But the point of things I never have went from
Being a reason for the things that I do
To just being an excuse that I'd use
I've gotta take responsibility for the things I do
Find something other than negativity for my fuel
But I feed off it, even when I don't seem bothered

I hide everything that's going on inside Guess it's been a while since I've been honest, I need help But I deny it and even lie to myself like I'm fine

All the time I have layed in your lie When your love kept me safe through the night All the time I was sure you were mine And before time demands our goodbye Can you sing me a last lullaby?

I just wish someone would tell me it would be OK
But pessimism leads me to believe that it won't
To see even a glimmer of hope in the darkness
Is hard and depression is a slippery slope
I don't wanna do what my dad did with a rope, though
So I carry on even though it's hard to
The only thing that's definite is death and things always change
As long as you give em a chance to

All the time I have layed in your lie When your love kept me safe through the night All the time I was sure you were mine And before time demands our goodbye Can you sing me a last lullaby?

(Can you sing me a last lullaby?)

All the time I have layed in your lie When your love kept me safe through the night All the time I was sure you were mine And before time demands our goodbye Where you sing me a last lullaby?
