

Boiling the Ocean

Project 86

Occupied
Your territory is compromised
The mechanism is alchemized
Systemic access unauthorized
And blacklisted

The whistleblowers eliminated
Assuming helm, premeditated
Your system so terminal
Overwhelmed by the momentum

Execute the purge
Deify
Symbiotic merge
Engage

Behind every hierarchy
Overshadowing all we see
Behind every fiber of reality
The architect
The architect revealed

Consecrate
The symbiosis will animate
The overseers

The whistleblowers eliminated
Assuming helm, premeditated
Your system so terminal
Overwhelmed by the momentum

Deify the messenger
The architect of your transformation

Execute the purge
Deify
The Coda emerges
Execute the purge
Deify
The Coda emerges
Engage

Behind every hierarchy
Overshadowing all we see
Behind every fiber of reality
The architect

Behind every hierarchy
Overshadowing all we see
Behind every fiber of reality
The architect
The architect revealed
