

Into Another

Project 86

The taste so sweet of bitter defeat
In exchange of the vows did we...
Splice ourselves in vain affections
Of failed curiosities

'Cause I traded my piece of mind for a piece of you
Ache for escape from the madness you stir
'Cause you traded one failure to fall, to fall...

Into another
We reach to disappear
Reach to disappear from here

One false step to set in motion
The weight of the avalanche
A mountain of rubble in the shape of a man
Who's clinging to his last branch

'Cause you traded one failure to fall, to fall...

Into another
We reach to disappear
Reach to disappear from here

All we were is all we are
All that is, is what remains
All we were is all we are
All that is, is what remains

Into another
We reach to disappear
Reach to disappear from here

I traded my piece of mind for a piece of you
