Project 86

Into a future where this
Grandeur is no delusion
In bane I found all meaning
Nurtured by the spilling my own veins
Nurtured by the emptying my own veins

Purify (Soul dialysis)
Purify (Soul dialysis)

Into my mouth you're delivered as an offering
Witness the ascent of glory, shudder before me

Transcripts from this moment
Become like canon fire
Pleasure from pain momentary
As I watch all I was circle the drain
As I watch all I was circle the drain

Into my mouth you're delivered as an offering
Witness the ascent of glory, shudder before me

Purify (Soul dialysis)
Purify (Soul dialysis)

"Death is the solution to all problems, no man, no problem"
"Education is a weapon whose effects depend on who holds it in
his hands and at whom it is aimed"
"I believe in one thing only, the power of human will"
"One death is a tragedy, one million a statistic"
"We don't let them have ideas. Why would we let them have guns?"
"

Harness strategic venom
To make shrapnel of your sons
In the wake of my ascent we will lie in wait
To engineer collapse, to engineer collapse
Devouring (Devouring)
Because all that they will follow is strength

Into my mouth you're delivered as an offering
Witness the ascent of glory, shudder before me
Shudder before me, shudder before me
