

## Taser 5.0

Project 86

In digital dopamine I find all meaning  
A visual remedy  
Put your face to the mirror  
In digital dopamine I find every meaning  
A visual remedy  
Gateway from obscurity

End-user, subject to the lens  
(Display retina ricochet)  
A crime with no consequence  
(Disconnect intellect)  
The author, the damager, distraction dealer  
First taste of the cross-fade  
The endless flood  
The endless flood  
Flood of the catatonic

In digital dopamine I find all meaning  
A visual remedy  
Put your face to the mirror  
In digital dopamine I find every meaning  
A visual remedy  
Gateway from obscurity

Link to the process, live to document  
(Display retina ricochet)  
Tender yourself resigned to the fix  
(Disconnect intellect)  
The wanting, the needing, nostalgia chaser  
Do you mainline in landscape  
Or do you mainline in portrait?

Buying in

Document every moment, buying in  
Document every moment, buying to the illusion of connection
