Ima show stopper
Country talkin panty dropper
Boot wearing
No time for flip floppers
Ain't stressing
God gave me too many blessings
Straight shooter
Something like a Smith & Wesson
Aye aye hit you with the Smith & Wesson
Aye don't make me pull the Smith & Wesson
Aye aye aye Smith & Wesson
Aye aye with the Smith & Wesson

I was greasy in these streets, you can ask about
Dusty Leigh up in these streets, I can cash em out
No need for a scale, we don't bag em out
I can turn a mobile home into a trap house
Aw yeah, off the rip, ain't no opposition
If you the boss around these parts you need a new position
I got a chopper in the truck I call em ole Smokey
Once that barrel starts to sing you do the Hokey Pokey
My name rings bells from the city to the woods
I got the sauce, I got the juice, I got the goods
First things first, let's get it understood
I'm country with a little bit of hood, y'all know Ima

Ima show stopper
Country talkin panty dropper
Boot wearing
No time for flip floppers
Ain't stressing
God gave me too many blessings
Straight shooter
Something like a Smith & Wesson
Aye aye hit you with the Smith & Wesson
Aye don't make me pull the Smith & Wesson
Aye aye aye Smith & Wesson
Aye aye with the Smith & Wesson

Ice on teeth, I'm a big speaker
Spit so much fire like I'm drinking ether
Baby momma trippin she better keep her
Pockets lookin funny quit smoking reefer
You can get deeper pay and I show up
Louis Vuitton on my neck and it's froze up
Do what I say man that's why she chose her
My name is hot as a Bieber ebola
Pockets of money like henny and cola
They got a project from Memphis and Golda
Cali to Chi-town back to the Nola
Make so much money the dollar don't fold up
Mold or broke so I'm an original

In ya face with it aint no subliminal
Me I'm a man and you kinda feminal
Foreign is paid for you in a rentamal

Ima show stopper
Country talkin panty dropper
