

Niggas talking bullshit, every time I come around
Finesse for that check bitch, that's why I don't come around
Never ratted, never told
Been 100, always down
I put that 40 in my hand, lay you bitches to the ground
Executioners on deck, they don't do nothing but shoot
My fingerprints ain't on no shells, I don't count nothing but loot
I don't do nothing but shows, VIP snapping on poles
Smoking up nothing but o's
Pouring up nothing but 4's
Yeah my dogs in the street hustling any drugs
Northern Cali, Juarez, Mexico, we got plenty plugs
Mississippi, Arkansas, Chiraq, I got plenty thugs
Bitch ass niggas who told on my dog can be semi slugs

I don't know what you f*ck niggas talking 'bout
Fishscale on the floor, that's what I'm talking about
300 thousand cash in the bag, what I'm talking 'bout
I don't know what you f*ck boys talking 'bout
What you talkin' 'bout, what the f*ck you talkin' 'bout
What you talkin' 'bout, what the f*ck you talkin' 'bout
What you talkin' 'bout, what the f*ck you talkin' 'bout
What you talkin' 'bout, what the f*ck you talkin' 'bout

Drinking lean like alcoholic
Foreign whip, I just bought it
Pats what up with them thangs, police ass nigga I can't call it
Water whips, pistol grips, real nigga done lived this shit
Street nigga done been through hell, smoking weed out myself
What this nigga talking 'bout
Get caught with a brick, he right back out
See that's the shit I'm talkin' 'bout
Got my name hanging out his mouth
Like a dick old bitch ass nigga, need his head blown off
Knocked by his baby momma, 12 gauge sawed off
Hood nigga memories, funded me 2 keys
Off the motherf*cking border, the stamp was in Chinese
China white, least they cut it right or you gonna be sorry
Instead a hood full of money, I got a hood full of bodies

I don't know what you f*ck niggas talking 'bout
Fishscale on the floor, that's what I'm talking about
300 thousand cash in the bag, what I'm talking 'bout
I don't know what you f*ck boys talking 'bout
What you talkin' 'bout, what the f*ck you talkin' 'bout
What you talkin' 'bout, what the f*ck you talkin' 'bout
What you talkin' 'bout, what the f*ck you talkin' 'bout
What you talkin' 'bout, what the f*ck you talkin' 'bout
