## Project Pitchfork

Once I dreamed I was alive  
and everything was strange to me

The segmentation of a cell  
starts a big bang of emotions  
to grasp a thought the need to cool forms spheres of fire

Once I dreamed I was alive  
and everything was strange to me  
no word was spoken yet impressions unfolded the demand to listen

The segmentation of a cell  
starts a big bang of emotions  
to grasp a thought - the need to cool forms spheres of fire

Every aspect known to feelings  
formed a unique shape to be  
beyond the time a dream of love  
feels everything about das Sein
