Big In Japan

I'm all city like graffiti, better yet all country 'Bout to go all planet if it goes the way I planned it Fanatic fan addict but a man at it Loop Troop's a sickness now we're lettin' Japan have it Givin' a bad habit no matter who distributes No matter what record label I gotta spit the truth The illest troop you can't keep a good sound down In Tokyo my shit is heard around town I'm screamin' on emcees: unless you drop gems please Shut the fuck up, hand over your benz' keys The way I see things in Europe, nobody's fuckin' with this And in the states, well I don't really want to dis But some rappers take hip hop for granted Watch me run up in their spot like Moh and Mike mechanic Panic! When my rhymes cross the Atlantic Then cross the pacific if it goes the way I planned it Fanatic fan addict but a man at it Loop Troop's a sickness now we lettin' Japan have it!

You diggin' me man, Loop Troop big in Japan Kick the real shit and get three million fans World supremacy P-R-O-M-O I said you diggin' me man Loop Troop is big in Japan Spit that rah rah shit and get six million fans World supremacy S-U-P-R-E-M-E

Hell yeah this be Supreme from the Loop Troop singers Known for hit singles and stiff middle fingers Just ring us, then bring us for the time of your life We'll forever be a part of your life 'cause of your two timing wife Tout le monde we world wide Your fan base is your man's place they thought your tape was aight Since you ain't nothing in the streets you pose to be a club thug All hyped up but never really done shit like that millennium bug 'Cause of the drugs, sex and alcohol I'm in this to rip the clubs, decks and microphones In Tokyo and former Russia Informers rush the set 'cause of we hollerin' anarchy like Busta And cuss the downpressor men from the top of my lungs Till they start makin' sense and be dropppin' their guns Once my crew gets to speak out they freak out This ain't supposed to leak out we ain't supposed to sneak out The back door with black dough, Loop Troop is like whoa Conquerin' the world in two triple O's So do panic, that bull shit can it My crew's a sickness and now we letting Japan have it

You diggin' me man Loop Troop is big in Japan teach the youths the truth and get ten million fans World supremacy 'cause to the M-I-C

It's the D-V-S-G entrepreneurs Cruisin' through the underground systems to the Japanese sewers Nobody boo us they more like sayonara Glad you came, it's the bomb! Aight peace we feel honored We stand as one build as one swarm And travel to the other side of the planet to perform

Promoe

I look to the east (why?) yo do I even have to mention it This western world got us trapped in censorship 'Cause everything that I say is political And everything that I write makes me a suspected criminal Subliminal advertising behind enemy lines You'll find the message between the lines when you rewind Starting point right here we just landed Loop Troop's the illest virus now we're lettin' Japan have it

Diggin' me man, Loop Troop big in Japan Building a plan to get millions of fans Blao blao bo bo, Supreme, Cosmic, Embee and Promoe Do ligger i lä Looptroop sticker iväg över till Japan är jiggy där mä
