**Promoe**

"With no promotional budget I get media coverage/
like no others when they find out I made the bomb threat./
To the MTV Europe Music Awards /

Destroyin' hotel rooms and getting groupies pregnant/
stealin' everything including kitchen sink/

When we back in the club we packin' the club to the rim/

They break necks and pay checks offer unsafe sex/
throwin' panty hoes and we ain't on stage yet/
Leavin' the place wrecked let's say we blessed it/
if shit is hectic get out the back exit/

They on the floor pick 'em up so you can witness/
the hardest hitting boy group in show business/
