

# Divide and Conquer

Prong

There's no relief, there's just regret  
Want to forget, just can't believe  
Really don't want any part of this  
Just another bad experience  
But what's positive or negative  
Maybe it's all just relative

You can't go through life without these conditions  
(Divide and conquer)  
You can always rely upon opposition  
(Faith and sorrow)  
You can't go on through life without some division  
(Divide and conquer)  
You're gonna do time inside your own prison

You only see what you gotta get  
You cannot get what you cannot see  
Always forced into compromise  
Always have to make a sacrifice  
Things are not what they seem to be  
Living in a false reality

You can't go through life without these conditions  
(Divide and conquer)  
You can always rely upon opposition  
(Faith and sorrow)  
You can't go on through life without some division  
(Divide and conquer)  
You're gonna do time inside your own prison
