

Seriously emerging, the possibilities
Comin' with the eight, comin' from the heat
Chariots of treasure, ride the wheels of heat
The consequence means nothing, the end of all, because
Tremble now with terror for the chance of not being called

Throwing bodies, comin' with the heat and not be killed
Throwing bodies, with all the things you know
Throwing bodies, comin' with the heat
Throwing bodies, over with it
Furious, the surging electricity
Comin' from the gate, comin' from the heat

Seriously emerging, the possibility
Throwing bodies, comin' with the heat
Throwing bodies, with all the things you know
With all the things you love, with all the things you hate
Throwing bodies, coming with the heat

Can you feel it, can you feel it, oh
Can you feel it, can you feel it
With all the things you love, with all the things you hate
Oh, can you feel it, comin' with the eight
Comin' from the heat, can you feel

Seriously emerging the possibilities
Comin' with the eight, comin' from the heat
Chariots of treasure, ride the wheels of heat
The consequence means nothing, the end of all because
Tremble now with terror for the chance of not being called

With all the things you love, with all the things you hate
Comin' with the eight, comin' from the heat of not being called
Throwing bodies, comin' with the heat with all the things you know
Throwing bodies, comin' with the heat with all the things you know

With all the things you love, with all the things you hate
Throwing bodies, coming with the heat
Can you feel it, can you feel it, oh
Can you feel it, can you feel it

On an east rock from an east rock
On an eight rock from the eight rock, can you feel it
Throwing bodies, comin' with the heat
Throwing bodies, comin' with the heat

On an east rock from an eight rock on an east rock
Can you feel it, can you feel it, can you feel, it can you feel it
With all the things you love, with all the things you hate, can you feel it
With all the things you love, with all the things you hate
With all the things you love, with all the things you hate

Comin' with the eight, comin' from the heat
Seriously emerging, the possibilities
