

Purveyor Of Pleasure

Propaganda

Purveyor of pleasure
Disciple of lust
I am a fallen angel
My paradise is lost

Deviant desires
The fury within
I'm bound, bound by temptation
Seeking solace in sin

Show is over
The curtains fall
Siren and sinner
I've been that all
Loser or winner
All that and some
Beginner
Just a beginner
All said and done

Filled pages of passion
In my diary of zest
Knew no boundaries
Just infinite jest

Deviant desires
The fury within
I'm bound, bound by temptation
Seeking solace in sin

Show is over
The curtains fall
Siren and sinner
I've been that all
Loser or winner
All that and some
Just a beginner
All said and done
