Gutteral, gutteral, gutteral

Gutteral, gutteral, gutteral, gutteral

Yeah, I feel it wellin' up inside me, huh  
That's a deep sixth sense, you know it when you see it  
Multiverse, been here before, I could feel it  
Grandmama voice say listen to the Spirit  
Gut don't lie to you  
Huh, some don't sit right (Energy, roar)  
Some don't feel right (You ain't ever lie)  
Man, somethin' inside say y'all better slide  
Tell your mind be quiet, huh (Tell your mind be quiet)  
Discernment permit, a verdict indeterminate  
I ain't gotta work for it (I ain't gotta work for it)  
But you know it when you heard it (You know it when you heard it)  
Yeah, you feel me, real me, I ain't crazy, maybe  
I ain't got no receipts on theology to base me  
You've been here before, though, twice or more so  
Advice you forego despite the voice of your  
Old sense of realest in your life you're known for  
Most of your known time in your mind  
You can't explain it, but do it or change  
If you take this step, it'll never be the same

Gutteral, gutteral, gutteral  
Gutteral, gutteral, gutteral, gutteral  
Can't teach if you ain't gutteral (If you ain't gutteral)

Gutteral, gutteral, yeah

Women to tuition in spite of your sense of tinglin'  
I can fill up dimensions if I can put my finger on it  
But I will put money on it, the moment your art caught it  
Askin' if God saw it, I would get hard on it  
Refusin' to be honest, takin' bait and then deceived  
Or believe in the things that are honest  
Or maybe it spoke to you  
Makin' known all the things you should ask, but ain't even know to

Gutteral, gutteral, gutteral  
Gutteral, gutteral, gutteral, gutteral  
Can't teach if you ain't gutteral (If you ain't gutteral)
