

We All In

Propaganda

Mal-Ski

When the whole team pull up (Yeah, yeah)
Whole team pull up (Yeah)
Whole team pull up, say (Yeah)
When the whole team pull up, yeah

When the whole team pull up, say, yeah
When the whole team pull up, say, yeah
Let's toast to all that we been through
Celebrate the things that ain't kill you
When the whole team pull up (Yeah)

We all in, with me is all them (With me is all them)
No outsider, everybody all in (Everybody all in)
You guessed it, whole crowd is a guest list
I suggest you relax when Cali native get restless (Cali native get restless)
I know different 'cause I was shown different (Yeah)
But the truth is I ain't no different (I ain't no different)
We move as a unit, whole planet's the movement
If y'all ain't here with us, then it ain't worth doing it (Ain't worth doing it)
It's unison, Nubian, Sufian (Uh-huh)
I ain't choose sides, I won't disturb the groove we in
I know it's a mind bender (Uh)
Introduce you to the end of the tribalism (End of the tribalism)
We ain't do it on our own (Nah)
We refuse to celebrate alone
Collectivo, E for Efecto
You kill 'em with kindness, then invite 'em to ride and say

When the whole team pull up, say (When the whole team pull up, say), yeah
When the whole team pull up, say (When the whole team pull up, say), yeah
Let's toast to all that we been through
Celebrate the things that ain't kill you
When the whole team pull up (When the whole team pull up), yeah
We ain't get it started 'til the whole team pull up
We won't get it started 'til the whole team pull up
We won't get it started 'til the whole team pull up
We won't get it started 'til the whole team pull up
You yellin' to the outsiders, "Not you"
I can hear the voice of God saying, "Them too"
When the whole team pull up (Yeah)

I pull up, I put up my hood up
Pondering propaganda, manipulating medullas
Breaking your stereotypes and your stereotypes
Walk up in your kitchen, eat-a-bowl-of-your-cereal type
From Cali to Colorado, them hallows'll leave you swallowing blood
'Cause on the east side they don't believe in tomorrow
Fellas up in the bellows don't settle, they all real
Some kill for they colors while walking through Park Hill
Tryna be Chauncey Billups, you better go pick the pill up
Probably shooting around with some shooters that wanna kill us
Where the air thin, hairpin triggers and gold diggers
Bone chilling and children are natural born killers
How I come from that to chilling with socialists and republicans?
Reading Hebrew while I'm in Palestine with a bunch of friends

Fringe groups and pretend crews, I begin to
Pull up on us, see what we been in to, pull up

When the whole team pull up, say (When the whole team pull up, say), yeah
When the whole team pull up, say (When the whole team pull up, say), yeah
Let's toast to all that we been through (Been through)
Celebrate the things that ain't kill you (Kill you)
When the whole team pull up, say (When the whole team pull up), yeah
We ain't get it started 'til the whole team pull up (Pull up)
We won't get it started 'til the whole team pull up (Pull up)
We won't get it started 'til the whole team pull up (Pull up)
We won't get it started 'til the whole team pull up (Pull up)
You yellin' to the outsiders, "Not you" (Not you)
I can hear the voice of God saying "Them too" (Woo)
When the whole team pull up, say (Say, say, say, say)
