Propagandhi

You speak of rastafari
But how can you justify
Belief in a god that's left you behind?
You've simply filled the gap
Between the upper and lower class
And your faith merely keeps you in line
In line, yeah

An amalgamation of Jewish scripture and christian thought
What will that get you? Not a fuck of a lot
Take a look at your promised land
Your deed is that gun in your hand
Mt. Zion's a minefield. The West Bank
The Gaza Strip. The West Bank
The Gaza Strip. The West Bank
The Gaza Strip. The West Bank
The Gaza Strip
Soon to be parking lots
For American tourists
And fascist cops, yeah

Fuck Zionism
Fuck militarism
Fuck Americanism
Fuck nationalism
Fuck religion
Fuck religion
Fuck religion
Fuck religion
Fuck religion
Fuck religion
Fuck religion
Fuck religion
