

4th Quarter

Propain

G&B

Look, they say it's beauty in the struggle (Struggle)
Nah, that's one ugly motherfucker
Life a bitch, and when you broke, shawty treat you like a sucker
It ain't easy findin' rosters, game ain't callin' not no huddles (Nah)
The gutter, it's hard to get out like a stutter
And the thought of you not makin' it alone just make you suffer (Uh)
They talk about you, say what you can't be 'cause they wasn't
Shit get real in the field, a couple hits, gon' make you fumble unless
You bounce your ass back, don't let it phase you (Nah)
Fuck all them niggas, mane, I can't lose (Yeah), this shit destiny
I ain't never sold my soul, plus I pay dues
To get what I deserve, I always knew like a debut (Brain)
When setbacks came, I ain't fold, I just made moves
Grindin' like a bitch and make a lunatic like St. Lou' (Yeah)
They really into doubtin', niggas sayin' what I can't do
(Fuck 'em)
A rose grew from concrete, they ain't believe 'til it came through, trill

If I can do it, you can do it too (You can do it too)
You wouldn't believe the shit I been through (Shit I been through)
The things I did when the rent was due (When the rent was due)
I always knew my time was comin' soon (My time was comin' soon)
My people told me I was overdue (Yeah), right
When it got hard, I went harder (When it got hard, I went harder)
They tryna hold me under water (They tryna hold me under water)
I gotta be here for my daughter (Gotta be here for my daughter)
It's fourth down, fourth quarter, yeah

Damn, you don't know what rock bottom is
Until you lost it all and sleepin' out your partner crib
Stressed out, spirit ain't broke, but your pockets is
Look into the sky like, "How the fuck I'm gettin' up outta here?" (Damn)
And these niggas doin' whatever for a dollar bill
I'm a hustler, but the soul is not for sale, nah
I'm from the belly of the beast, if I survive them years
Then I'll be damn amongst these lame niggas I won't profit big (Brain)
Like the one that made it happen (Yeah)
Evolve from the trappin', go legit, clean the shit up like a napkin
Dream chasin' (Uh), it's hard to give it up when you got passion
Trill nigga in my soul, I wear it on me like it's fashion (Yeah)
They said by 21 he'd be in jail or in a casket
Born to lose, race to win, check the motherfuckin' status
Out in Cali, me and Kease got new investments gettin' established (What up?)
They used to take me for a joke, now I'm the nigga laughin' (Haha)

If I can do it, you can do it too (You can do it too)
You wouldn't believe the shit I been through (Shit I been through)
The things I did when the rent was due (When the rent was due)
I always knew my time was comin' soon (My time was comin' soon)
My people told me I was overdue (Yeah), right
When it got hard, I went harder (When it got hard, I went harder)
They tryna hold me under water (They tryna hold me under water)
I gotta be here for my daughter (Gotta be here for my daughter)
It's fourth down, fourth quarter, yeah
