

A Message From The Clouds

Propain

Oh, it was goin' down back then too
Yeah, yeah, yeah
It just wasn't-we didn't have spotlight on us-
Right
-So it wasn't publicized like it is now
Right
These record labels don't want artists to talk to each other
Mm-hmm
We get to talkin' too much, we just might put a union together
Mmm
And if we unionize, they can't win no more
Right
Don't you fools realize that uh-
we could get a whole bunch of money together?
Didn't y'all just see what happened with Bun single?
Mmm
Don't you-don't you-don't you guys understand that if we bring
this thing together and put all this old petty-
And it's petty, mane, it's he said this and-
and, this one over here said that
And when you finally boil down, the man ain't said nothin'
Nothin'
You know I mean?
Man spit somethin' on a record and this fool over here assume h
e talkin' 'bout this on over here
Mm-hmm
And I'm sittin' back here watchin' this
I'm like, "Man, these boys is trippin'," know I'm sayin'?'
As much money as we havin'
As much business as we givin' this Rolls-Royce lot and the Cadi
llac lot and the BMW lot, what is you mad about?
Mmm
We all livin' behind big gates, big ol' houses, havin' big jewe
ls and-and-and gettin' paid to party
Yeah
We get paid to party
To go party
What is y'all mad about, man?
Haha
So you know, y-you know, that's just me
Yeah
If-if you know, maybe some people'll hear this and they'll get
their mind together and you know
Maybe folk can-
And look, and-and if you really mad
Come on down to the gym and holla at Jay, we'll let you put the
boxin' gloves on
And y'all can box it out and then we can go, you know

And make some money off of that
