Big thirty-inch blades cuttin' on the Escalade
Since braids and fades, Big Slim been gettin' paid
I was on the grind in '99, still shine
Left a few behind, never did slow down
Pounds of the gas, in the Lambo goin' fast
Still paid cash, fully covered case I crash
Chain few bricks, you would think the boss trappin'
I'ma match the sum like a druglord rappin'
Down in H-Town, we be ballin' in the mix
Still that 6'6" nigga stickin' dick in your chicks
Got fix, these bitches tryna be my baby mama
But I'm focused on the commas, hell nah to the drama

Yeah, she looked me in my eyes and asked me how it feel
Young nigga, to have respect and the dollar bills
I told her, "Lottery," 'cause where I'm from, they don't make it out the field
Out the mud, I made this out of nothin' like David Copperfield
The wrist is water, diamonds certified, all the rocks is clear
Top is off, you can look at God, what up to Pac and Big?
These niggas lame, naw, we ain't the same, them boys is not for real
I'm a hustler, they ain't my opps, them niggas opposites
'Preme on the Timbs, owner of my whips
Three-story on the crib while I'm in your bitch ribs
Self-made boss, I do it big as Uncle Phil
Rest in peace to Pimp C, nigga, I'm forever trill, let's go
