

## Worth It

Propain

(X.O.)

Yeah

Workin' girl, you know I love it, but tell that job you callin' in to day  
Ain't no gamers but we finna play, a house party like we Kid 'n Play,  
haha (Yuh)  
Pro', the cameras on us like we Kim and 'Ye  
Baby lookin' like a dinner plate, I jump up in it like it's real estate  
Trill nigga never been afraid, I know you want it just like I do (Yuh)  
Can't deny it when the vibe's true (Yuh), and her eyes, they never lied too  
I'm starin' at it from a side view (Damn), girl, that ass is lookin' times two  
This Henny got me in a tryin' mood, all I'm thinkin' is it's time, bo  
o  
Bed or the floor, or even in the kitchen by the bread, let me know  
Now I got this Jodeci on and every time I make her moan, it soundin' like K-Ci when it glow  
That "Forever My" yeah, that's the right song (Uh), you know that when she bad, gotta keep the lights on (Uh)  
She said, "Let's go again," then she tell me, "Right on," beat up like I'm money made all night long

Oh, oh, oh, lil' baby, she perfect, lil' baby, you perfect  
She know that she worth it (Know she worth it, worth it, worth it, know she worth it), it's not like how she doin'  
She do it on purpose (On purpose), mmm, but she gon' run if I call (Run if I call)  
Get me up if I fall (If I fall), oh, she gon' stay down (Yeah, I know you gon' stay down)  
Lil' baby, she perfect (Take it to the moon with it, yeah, you know what do with it, yeah)  
She know that she worth it (I'ma act a fool in it, yeah, run it back, I ain't through with it, yeah)  
Lil' baby, she perfect (Hit me up, on the way, pullin' up)  
She know that she worth it (I put in work, you go to sleep, you know what's up)

Yeah, now I got you hooked (Hooked), you done fell in love with the vibe  
Fuck boys wasted all your time, you ain't really had a real nigga in a while, mmm  
Kick 'em to the curb, kung fu, I'ma get it done what a nigga won't do  
They be on the dumb, but I only want you, doin' now they had time then just tell me come through  
I need a rider, baby, I love me a "X" by the body, baby  
Fuck up your world then I outer space it, goin' dumb inside it, diagnostic crazy  
I want you straight up without the chaser, chillin' so good then I pr

obably taste it

We get together, no stoppin' greatness, girl, her style is wavy, and  
your ass offended like narcotics save me

That's the truth though, normally I dog I'm like Cool Joe (What?)

Damn, babe, but with you it's different, I want you 'round long as Ma  
nute Bol

I'm talkin' summer, spring, fall, winter, I'm in your ear like a call  
center

Don't give a damn 'bout your red bottoms, when I'm done, girl, you wo  
n't be able to walk in 'em, Young Pro'

Oh, oh, oh, lil' baby, she perfect, lil' baby, you perfect

She know that she worth it (Know she worth it, worth it, worth it, kn  
ow she worth it), it's not like how she doin'

She do it on purpose (On purpose), mmm, but she gon' run if I call (R  
un if I call)

Get me up if I fall (If I fall), oh, she gon' stay down (Yeah, I know  
you gon' stay down)

Lil' baby, she perfect (Take it to the moon with it, yeah, you know w  
hat do with it, yeah)

She know that she worth it (I'ma act a fool in it, yeah, run it back,  
I ain't through with it, yeah)

Lil' baby, she perfect (Hit me up, on the way, pullin' up)

She know that she worth it (I put in work, you go to sleep, you know  
what's up)
