

# Antiman

Protector

Zeta Minor antiparticle horror  
Sucking the life out of any new explorer  
Drained of life only corpses remain  
Continuing until all intruders have waned

[Pre-chorus]  
Perpetual energy  
Something primeval  
Disposal procedure  
Planet of evil

[Chorus]  
Antiman - Serving inhumanity  
Antiman - Struggling with sanity  
Antiman - The anti-matter fiend  
Antiman - Soon the planet will be clean

Ponti and De Haan and good old Salamar  
Molestrans, now dead, that caused the planets scars  
Returning the samples a bargain has been made  
The survivors can flee thank's to the clever trade

[Repeat pre-chorus]  
[Repeat chorus]  
[Repeat second verse]
